

# DATA + DESIGN

## Happy Hour

Data and Design are everywhere. Over the course of the last decade, both have radically transformed businesses. Often the two disciplines are siloed, however together they can create real change. IDEO is bringing together a small group of experts to talk about the role of data and design.

## MAY 27th

5:30 - 7:30pm  
IDEO San Francisco  
Pier 28 Annex

This will be an informal event, starting with 3 short talks followed by 45 minutes of lively debate and conversation. Beer and wine will be flowing, along with some light appetizers. *Invite only, registration is required.*
